
Our Previous Employers of the Month

October 2016 = Community Employment Services of wli named Phoenix Technologies as their Employer of the Month. Phoenix Technology has partnered with CES since August of 2016. They currently employ one individual as a material handler in the plastics division. This individual is responsible for separating and cleaning the plastics that will be recycled into two-liter bottles for the liquid food-quality (soda-pop) storage and consumer consumption in the retail market. Phoenix Technologies was also awarded the Wood County Economic Development awards for Business of the year in 2016. The employees and supervisors at Phoenix Technologies play a supportive role for the individuals served by CES. We appreciate their dedication in becoming a community employer for individuals with disabilities.

November 2016 = Community Employment Services of wli named McDonald's on Route 20 in Perrysburg as their Employer of the Month. McDonald's has partnered with CES since July 2015. Currently they employ one individual as a lobby attendant. This individual is responsible for customer service, cleaning the bathrooms, emptying the trash and maintaining the appearance of the lobby.

December 2016 = Community Employment Services of wli named Saver's in Maumee, as their Employer of the Month. Saver has partnered with CES since March of 2016. Currently they employ one individual as a truck un-loader. This individual is responsible for receiving inventory from the Easter Seals delivery trucks, unloading the contents and sorting them into individual department containers and then delivering the items to the different departments through the retail area of the store.

January 2017 = Community Employment Services of wli named Blue Pacific Grill in Levis' Commons, Perrysburg as their Employer of the Month. Blue Pacific Grill has partnered with CES since November of 2015. Currently they employ one individual as a dishwasher. This individual is responsible for washing dishes, keeping the dish room clean and organized and busing the dishes from the lobby area.

February 2017 = Community Employment Services of wli named Poggemeyer in Bowling Green as their Employer of the Month. Poggemeyer has partnered with CES since January of 1992. Currently they employ an individual as a general worker. He is responsible for the light janitorial duties, restocking paper and supplies in the common work area, sorting and delivering company mail and correspondence, maintaining the appearance of the parking lot, recycling for the organization and taking care of the company fish. Poggemeyer has been a long-time supporter

of hiring individuals with disabilities and the staff and leadership at the organization have a strong commitment to the success of all of their employees.

March 2017 = *Community Employment Services of wli named Lubrizol in Bowling Green as their Employer of the Month. Lubrizol has partnered with CES since February of 2002. They currently employ an individual as a Glassware technician. This individual is responsible for cleaning and preparing the numerous glass testing and quality control beakers and containers that the Lubrizol QA department uses as part of their production monitoring process at their Bowling Green facility.*

May 2017 = *Community Employment Services of wli named Best Buy in Perrysburg as their Employer of the Month. Best Buy has partnered with CES since August 2015.
