

Susie's Success Story

April 2019

Susie Ward is known around **wli** as someone to lean on. She has worked at Walmart, in Scanning Solutions and most recently since April 2018 she has worked as a Customer Service Representative at Laser Cartridge Express- fielding calls, orders and invoicing from customers all over the state. She also covers in **wli** Reception whenever they are in a pinch.

Susie's supervisors say she has an exceptional work ethic, is always the first to volunteer for a project and has an eye for detail. Her positive outlook brightens everyone's day.

Susie has been a wonderful addition to our team and we look forward to continuing to have her as a part of **wli** for a long time to come! Thank you for all you do!
